## NCAA COMPLIANCE

The importance of following all NCAA rules and regulations is imperative to maintaining the integrity of Wofford College and intercollegiate athletics. We ask all who are associated with the institutions athletics programs to help the College protect the spirit of competition, the athletics eligibility of our student-athletes and the reputation of the College by adhering to the rules and regulations of the NCAA and by contacting the Compliance Office or the NCAA with all questions. If you have any questions about NCAA rules, please contact Elizabeth Rabb at (864) 597-4090, the Wofford website at [woffordterriers.com](http://woffordterriers.com) and click on 'Compliance,' or the NCAA at [www.ncaa.org](http://www.ncaa.org).

What is a Representative of Athletics Interests (Booster/Donor)?

All alumni, friends, and employees of the College are categorized as 'representatives of athletics interest.' The NCAA stipulates that once an individual has been identified as a 'representative' or "booster/donor" he/she retains this status forever even if the individual is no longer associated with the athletics program. Furthermore the NCAA states that it is possible for a person to be a representative of more than one institution at the same time. A representative of athletics interest may not:

- Contact a prospect's coach, principal or counselor in an effort to evaluate a prospect
- Visit the prospect's institution to pick up film or transcripts
- Contact a prospect, his/her parents, legal guardians or spouse on or off campus
- Contact a prospect by telephone or letter
- Make special arrangements to entertain a recruit
- Provide extra benefits to a prospect, student-athlete or the parents, family and/or guardians of the prospects or student-athletes

Wofford College does not discriminate on the basis of race, color, creed, religion, sex, age, national origin, disability, veteran status, sexual orientation or any legally protected status.

## WOFFORD COLLEGE MISSION STATEMENT

Wofford's mission is to provide superior liberal arts education that prepares its students for extraordinary and positive contributions to society. The focus of Wofford's mission is upon fostering commitment to excellence in character, performance, leadership, service to others and life-long learning.

## THIS IS WOFFORD

## THE WORLD AT WOFFORD

Wofford College, established in 1854, is a four-year, independent, residential liberal arts college located in Spartanburg, S.C. It offers a distinctive program with 25 major fields of study to a student body of 1,650 undergraduates.

Nationally known for the strength of its academic program, outstanding faculty, study abroad participation and successful graduates, Wofford ranks well in U.S. News & World Report, The Princeton Review, The Fiske Guide to College, Kiplinger's Personal Finance and the Open Doors Report on International Education Exchange, an organization that ranks Wofford #4 in the nation for study abroad participation.

Wofford has produced six Rhodes Scholars and is home to one of the nation's 283 Phi Beta Kappa chapters.

A leader in offering high-impact learning opportunities to students, Wofford encourages students to take advantage of all that Wofford, and through it the world, has to offer.

These opportunities include internships with scientific, corporate and non-profit organizations across the globe, undergraduate research opportunities, service-learning in the local community, international study abroad programming and a thriving host of co-curricular opportunities on campus.

One of those co-curricular offerings is the R. Michael James Fund, a student-managed and operated investment organization. The Space in the Mungo Center also prepares students for life after Wofford by offering professional development, career services and much more.

Student and residence life on campus include exciting Division I NCAA athletics, opportunities to participate in one of the college's Greek-letter fraternities or sororities, competitive intramurals, a diverse selection of clubs, student publications and a housing plan that helps students progress from first

year through fourth in a close-knit community that builds independence. The residence life experience culminates in a final year in The Village, beautiful, Charlestonian-style apartments designed to help transition students from college student to successful graduate.

Thanks to the generosity of alumnus and trustee Jerry Richardson '59, the Rosalind Sallenger Richardson Center for the Arts opened in May of 2017 and the Jerry Richardson Indoor Stadium to house new basketball and volleyball arenas opened in September of 2017. The new Greek Village was completed in the spring of 2016.

Wofford's entire 175-acre campus is a national arboretum, named the Roger Milliken Arboretum at Wofford College in honor of the late longtime trustee and benefactor.

Wofford offers distinctive learning opportunities that set it apart from other liberal arts colleges. A few of those high-impact educational experiences include:

The Interim, a January term that encourages students and faculty to explore new interests both on and off campus. A small sampling of on-campus programs include: Animal Cognition and Rat Basketball, Personal Finance, and Riding and Researching the Horse. Travel/study projects will take students to Australia, Cuba, China, Ireland, Germany, Japan and other sites around the world. Students also complete internships both locally and around the globe.

The Bonner Scholar program, a service-learning scholarship program that places deserving students in volunteer positions throughout the community.

The Space in the Mungo Center, a place where students can build upon their liberal arts education by adding professional skills desired by employers and graduate schools. The Space includes The Space to: Prepare (career services and professional development training); The Space to: Impact (a four-year scholarship program that empowers students to impact the world); The Space to: Launch (entrepreneurship support and competitions); The Space to: Consult (hands-on research, writing and problem-solving training within a consulting framework); and The Space to: Explore (in-depth global study).

Environmental Studies provides a creative and supportive learning environment that helps students pursue their goals in the field of sustainability. It operates both on Wofford's campus and at the college's Goodall Environmental Studies Center at Glendale, S.C. The property where the center is located borders 19 acres of protected green space along Lawson's Fork Creek.

Neuroscience, a program that allows students to examine the nervous system and its regulation of behavior through an experimental approach, is offered jointly by the Departments of Psychology and Biol-

ogy.

Computational Science, a fast-growing interdisciplinary field that is at the intersection of the sciences, computer science and mathematics, involves learning to store, retrieve, process and visualize massive amounts of information in web-accessed databases.

The Novel Experience, a first-year reading and writing program that offers an introduction to the academic rigors of Wofford while familiarizing students with the Spartanburg community.

The Creative Writing Concentration, a program led by outstanding published faculty authors that provides additional opportunities for students to hone their creative writing skills, earn coveted prizes and become published writers. The Wofford Writers Series brings published writers to campus to augment

the Creative Writing Concentration.

The Presidential International Scholar program offers an opportunity for an outstanding, intellectually gifted student to visit developing countries researching a specific academic area of interest. The student then returns to campus to share his or her experiences.

Presidential Seminar, a weekly seminar for outstanding seniors hosted by Wofford President Nayef H. Samhat. Seminar participants explore interdisciplinary subjects of current significance. The college now has a similar program for juniors.

Liberty Fellowship is a two-year leadership experience for young citizens of South Carolina with exemplary promise for societal achievement. The Liberty Fellowship is housed at the college and offered in partnership with South Carolina businessman Hayne Hipp and the Aspen Institute.

# TERRIERS IN THE PROS

Dating back to 1919 when Frank Ellerbee played baseball for the Washington Senators, Wofford alumni have made an impact in professional sports. From basketball to baseball to football, golf and soccer, Wofford alumni are making their marks in professional leagues.

William McGirt has earned over \$10 million on the PGA Tour since earning his card in 2011. He won the 2016 Memorial Tournament and has played in several majors, including the 2017 Masters. Forrest Lasso is playing professional soccer with FC Cincinnati, which will join MLS next season.

In basketball, Mike Lenzly was a member of the 2012 Great Britain Olympic Team. Additional Terriers who have played overseas recently include Noah Dahlman, Drew Gibson, Junior Salters, Howard Wilkerson, Brad Loesing, Drew Crowell, Lee Skinner, Karl Cochran, Kevin Giltner, Spencer Collins and Eric Garcia.

Wofford also has been well represented in minor league baseball. Brandon Waring, Michael Gilmartin, Alex Wilson, J.D. Osborne, Luke Leftwich, Will Stillman, Matt Milburn, Spencer Kulman, Kody Ruedisili, Jacob-Condra Bogan and Adam Scott all were with teams in the last five seasons. John Cornely made his MLB debut with the Atlanta Braves in 2015.

Over the past ten years, Andy Strickland (Atlanta and Jacksonville), Tommy Irvin (Arizona), Pat Illig (Detroit), Kasey Redfern (Jacksonville, San Diego and Detroit), Alvin Scio-neaux (San Diego), Brenton Bersin (Carolina), and David Marvin (Atlanta) have been in NFL training camps. Bersin won back-to-back NFC South Championships and reached Super Bowl 50 in 2016. Ameet Pall was the fifth overall pick in the 2012 Canadian Football League draft.

## RICHARDSON BUILDING

### THE RICHARDSON BUILDING

The home of the Wofford College Athletic Department since 1996 is the Richardson Physical Activities Building. The facility includes offices for the administration, football, baseball and other sports on the second floor. Also included on the second floor is an aerobic dance room, team meeting room, racquetball courts and a student-athlete lounge. Locker rooms for football, men's and women's cross country/track and field, men's and women's soccer and a training room are located on the first floor.

Wofford alumnus Jerry Richardson made donations in 2008 and 2018 that were used for enhancing the Richardson Building. Numerous improvements were made in the facility to ensure that it is one of the most advanced athletic facilities in the nation.

The most recent renovations to the building include a 1,200 square foot addition to house a new state of the art hydrotherapy suite which includes a Hydroworx aquatic therapy pool with underwater treadmill. The existing training room was relocated to adjoin the new hydrotherapy suite, which results in a much-needed increased size for the new training room. Supporting the training area are three staff offices, exam room, and state-of-the-art x-ray room. The new team meeting room is equipped with the latest video technology and a media backdrop for postgame press conferences.

The existing football locker room was expanded and upgraded. The upgrades included new paint, carpet, ceilings, and lighting. The equipment room has been reconfigured, and a new high-density storage system was purchased to increase capacity and improve efficiency in the handling of equipment. In addition to the visible improvements a new supplemental mechanical unit to control moisture and improve indoor air quality was installed, along with new HVAC controls in the entire building.

With the campus fitness center relocated to the Benjamin Johnson Arena, renovations were also made to the second floor. A second team meeting room was created with sliding glass walls to provide flexibility for a variety of uses. A student-athlete lounge was built near the racquetball courts which includes two 70-inch monitors.

The building also includes the Harley Room, a large multipurpose area overlooking Gibbs Stadium. The area hosts a wide variety of campus events during the year. On the patio, a sculpture of Jerry Richardson was dedicated on May 12, 2014 to honor him and recognize the 20th anniversary of the Carolina Panthers summer training camp being held on campus. The sculpture, created by noted California artist Todd Andrews, depicts Richardson seeming to be ready to walk over to Gibbs Stadium to watch the Terriers – for which he also played – take on the next worthy opponent.

# STRENGTH AND CONDITIONING

## THE JOE E. TAYLOR CENTER

Wofford alumnus and former South Carolina Secretary of Commerce Joe Taylor donated \$1 million for the renovation of the Curry Building into the Joe E. Taylor Athletic Center. The Taylor Center features a 7,000 square foot weight room and offices for athletic department staff. The building, located next to Gibbs Stadium, was completed in June of 2009.

The weight room facility is equipped with a total of 24 racks with built-in pull-up bars and nearly 25,000 pounds of plates, dumbbells and olympic weights. The 24 racks are divided, with twelve used with platforms and twelve used with benches. Additional equipment includes four pulldown machines, four low row machines, five power runners, six glute/ham machines, two decline ab machines, a leg press and exercise bike. Also included is a large area of Mondo track flooring, which is used with the step-up boxes, plyo boxes and hurdle sets in speed development.

The Taylor Center also provides offices for administration and numerous sports, including women's soccer, men's and women's golf, men's and women's tennis and cross country and track and field. A conference room and several work areas give the coaching staff much needed space.

## MISSION STATEMENT

The aim of the Wofford College Strength and Conditioning Department is to allow every student-athlete the best training opportunity with proper instruction and program implementation to create progressive gains in strength, speed, fitness levels, mobility and body composition over the tenure of the athletic career. This will be achieved through a created culture consumed with hard work, discipline, commitment, and knowledge of the craft of training in a highly competitive environment.

## THE PHILOSOPHY

The Strength and Conditioning Program consists of prescribed training based on sport specific demands with a great emphasis on properly executing movement patterns and training within the assigned threshold to optimize abilities and capabilities. Keys to this are:

- Evaluation and Assessment
- Individual Needs / Sport Specificity
- Weight Training Movements
- Running Prescription
- Plyometric Training
- Student-Athlete Health

# GIBBS STADIUM MIKE AYERS FIELD

## THE STADIUM

Prior to the 1996 season, the Wofford football team played home games at Snyder Field. The first football game was played at Snyder Field in 1930, with lights installed for the 1948 season. With the move to NCAA Division I, a new football facility was a priority. Gibbs Stadium seats approximately 8,500 in grandstands, while an additional 4,500 seats are available in both endzones. The south endzone, known as the Verandah Lot, has become prime tailgating space for donors to the Terrier Club.

The press box includes two radio booths, a television booth, replay booth, plus two coaches boxes. A crows nest for videographers is also provided. On the second level, the Mungo Room is a hospitality suite that serves as the President's Box on gameday.

Architects for Gibbs Stadium were McMillan, Smith and Partners, while M.B. Kahn Construction was the general contractor. The overall budget for the project was approximately \$4.5 million. In 2015, the playing surface was replaced.

The facility was made possible with a gift from the Gibbs Foundation, along with support from federal economic development grants and Spartanburg County School District 7. Gibbs Stadium is the home of Wofford football, along with the Shrine Bowl of the Carolinas. During the summer the facility is used by the Carolina Panthers and it served as the home field for Spartanburg High School football through the 2018 season.

## THE FIELD

On October 27, 2018, Wofford unveiled a new gateway field entrance and officially named the field at Gibbs Stadium in honor of Coach Mike Ayers. For 30 years, Ayers expected Terrier toughness on the field and Terrier determination in the classroom. He retired at the end of the 2017 season with a 207-137-1 overall record at Wofford.

## JIMMY AND MARSHA GIBBS

The stadium, opened in October 1996, is named in honor of Jimmy and Marsha Gibbs, recognizing their long friendship with the college and lead gift of \$1 million for the stadium project.

Mr. Gibbs is president of Gibbs International of Spartanburg, the world's largest dealer in pre-owned textile machinery. The Gibbs' relationship with Wofford spans two generations. The late Melvin L. "Razor" Gibbs of the class of 1943 earned 16 varsity letters at Wofford as a student in the early 1940s and after World War II. In 1983, Mr. and Mrs. Gibbs established an endowed football scholarship in his father's memory.

The Wofford Captain's Council presented the Gibbs with its 2004 Distinguished Service Award. The Gibbs also received a Wofford Distinguished Service award from the Southern Conference in 2004. In 2008, the Gibbs, along with Ed Wile and Harold Chandler, announced a challenge gift of \$1.5 million which was used to raise funds for endowed athletic scholarships. The Gibbs also provided the funding for the videoboard installed prior to the 2010 season.

The LED video board installed in 2010 is 57 feet wide and 22 feet tall.

# RICHARDSON INDOOR STADIUM

## RICHARDSON INDOOR STADIUM

A new era at Wofford began in 2018 with the opening of the Jerry Richardson Indoor Stadium. The new home of basketball and volleyball is adjacent to the north end of Gibbs Stadium, where the Terriers play football.

Wofford alumnus and trustee Jerry Richardson, Class of 1959, provided the gift to fund the facility that includes a 3,400-seat basketball arena and a 350-seat volleyball competition venue as well as offices, locker rooms, meeting rooms, training rooms and special fan areas, including several open-air suites. The facility replaces Benjamin Johnson Arena, which will continue to be used as a first-rate gymnasium for intramural and campus recreational activities.

"The Richardsons have done it again," head men's basketball coach Mike Young said. "First the Center for the Arts and now the Jerry Richardson Indoor Stadium. I'm eager to tour prospective students through both buildings to show them, as well as tell them, that Wofford student-athletes are students first."

The Jerry Richardson Indoor Stadium also has a seating capacity for non-athletics functions, such as commencement and concerts, of 4,500. The facility includes "Club 51" for club seat holders, the "Boneyard" lounge in the student section, state of the art sound system and acoustical design, along with electronic charging stations throughout the building.

## BENJAMIN JOHNSON ARENA

When the campus community bid farewell to the Benjamin Johnson Arena as the home of Wofford basketball and volleyball in 2017, it created new possibilities for student recreation and wellness. The renovated Benjamin Johnson Arena student fitness center opened in January of 2018.

“The Benjamin Johnson Arena, which opened in 1981, holds a lot of history for Wofford College, and we’re glad we are able to continue to use the facility as a larger, better fitness center for our students, faculty and staff,” President Nayef Samhat says. “The addition of the new Jerry Richardson Indoor Stadium provides us with this terrific opportunity to give our community a place in the Benjamin Johnson Arena to exercise both their bodies and their minds.”

The lower level of the arena (once basketball and volleyball courts and bleachers) houses a new multi-sport playing surface with three courts. A walking track surrounds the perimeter of the courts. The locker rooms were completely renovated. The concourse areas have become the new student fitness center with the installation of a variety of equipment and machines.

The east concourse has weight equipment, including free weights, benches and machines. The other concourse has cardio equipment, including treadmills, stationary bikes and elliptical machines. The concourses also have open locker storage and new audio-visual equipment.

In addition to the fitness activities, Benjamin Johnson Arena is home of a comprehensive intramural, recreation, and club sports programs that encompass team sports, individual sports, fitness classes, club sports, as well as various other programs. Highlights include intramural basketball and softball, equestrian club, men’s club lacrosse, club ultimate frisbee and an outdoors club.

The arena is named after Benjamin O. Johnson ’30 who was a Spartanburg textile executive associated with Spartan Mills. Mr. Johnson was also a trustee of Wofford College as well as a benefactor. Wofford moved into the Benjamin Johnson Arena in 1981 after playing in adjacent Andrews Field House for 50 years. The \$4.5 million arena is part of the Campus Life Building, which was designed to serve as the center of athletic, social and cultural activity on campus.

The first men’s basketball contest was held on January 22, 1981, as The Citadel scored a 65-64 win over Wofford. The Terriers first win in the arena was on January 26, 1981. The men had an overall record of 334-131 in 37 seasons in the facility.

The Wofford women’s basketball team fielded its first varsity team in the 1980-81 season, moving into Benjamin Johnson Arena in 1981 after playing in Andrews Fieldhouse for the first half of the season. The first women’s basketball game was held on January 22, 1981, with Wofford defeating Sacred Heart 74-25.

The City's origins predate the Revolutionary War. Spartanburg was named for a unit of American Revolution forces called the "Spartan Rifles" who helped defeat the British at the Battle of Cowpens in 1781, under the leadership of General Daniel Morgan.

The town of Spartanburg was incorporated in 1831 and later as a city in 1880 by the 13 Original States and Tennessee. During this time Spartanburg was booming due in large part to the rapidly expanding textile industry.

In the 1870s, Spartanburg became a railroad "hub city," with mainline railroads extending from Magnolia Street depot in all directions, taking passengers and freight to Charleston, Augusta, Atlanta, Asheville, Charlotte and points beyond. As many as 90 trains per day could be seen and heard operating in Spartanburg during the golden age of the American railroad, 1900-20.

During the 1920s, Spartanburg built South Carolina's first municipal airport and claimed the state's first commercial radio station (WSPA). Its leadership in the state was reflected by the election of several residents as governor.

Thousands of U.S. soldiers bound for overseas service in World Wars I and II trained at camps in Spartanburg. The post headquarters for Camp Wadsworth (1917-19) was located at the present site of WestGate Mall, and the Camp Croft (1940-45) was located south of the

city. Much of that military reservation has become Croft State Park.

After World War II, Spartanburg made a concerted effort to promote its location at the junction of Interstates 85 and 26 to international business. One of the greatest successes of this campaign was the development of the BMW manufacturing center near the Greenville-Spartanburg Airport.

Spartanburg's downtown, which always has been anchored by the campuses of Wofford and Converse Colleges, has been undergoing a major revival since the mid-1990s. In addition to the corporate headquarters for Denny's, Advance America, QS-1 and several other companies, the city has acquired a magnificent public library, the Marriott Hotel at Renaissance Park and most recently, the Chapman Arts Center and the USC Upstate George Dean Johnson School of Business. The area surrounding Morgan Square gradually is redeveloping with a variety of interesting restaurants and urban apartment-style housing.

Throughout the 20th century, textile

manufacturing companies formed the backbone of the Spartanburg economy. The most significant of these companies still in operation is internationally respected Milliken & Company.

Blessed by geography and climate as well as by energetic and well-educated citizenry, Spartanburg is emerging as one of the centers of a 21st century metroplex that extends along the South Carolina portion of the I-85 corridor.

# WOFFORD ATHLETICS HALL OF FAME

Recognizing the value of athletics to Wofford College and the American way of life, the Terrier Club established a policy of administering and sustaining the Wofford College Athletic Hall of Fame.

The purpose of the Hall of Fame is to honor those who, by outstanding athletic achievement and service, have made lasting and significant contributions to the cause of sports at Wofford College, the Spartanburg community, South Carolina and the Nation.

Any Wofford College Graduate who received a letter from the Wofford College Athletic Department is eligible for selection to the Hall of Fame.

# COACHING STAFF

## KIM ELDRIDGE

### HEAD COACH - FIRST SEASON

### WILLIAM & MARY '93

Wofford College announced on June 5, 2019, the hiring of Kim Eldridge as head coach of the women's lacrosse program. With over twenty years of coaching experience and twelve years at the Division I level, Eldridge joins the Terriers after three seasons as head coach at Westminster College.

"We are excited to have Kim Eldridge to lead our women's lacrosse program," said Wofford College Director of Athletics Richard Johnson. "She brings maturity and strong Division I experience that will be a great benefit to our team as we continue to build the program here at Wofford."

"When I arrived on campus with my sons and met the people of Wofford and Spartanburg, I knew it was a special place," said Eldridge. "I would especially like to thank President Samhat, Richard Johnson, Mark Line, and Elizabeth Rabb for this unique opportunity. My goal is to help young women feel empowered to reach their fullest potential on the field, in the classroom, and in the community. I look forward to establishing a strong foundation of tradition and pride."

In 2019, Eldridge led the Titans to the inaugural Presidents Athletic Conference (PAC) Championship title in only the third year of the program's existence, setting a program record for wins in a season with 15. After going undefeated in its PAC regular season schedule, Westminster won the PAC Championship with a 15-5 victory over Washington and Jefferson College. The Titans went on to the NCAA tournament and won their first ever NCAA tournament game over Notre Dame of Maryland University by a score of 16-8. Under the guidance of Eldridge, the Titans boasted the Titans boasted an IWLCA All-Region player, a program-record seven All-PAC honorees and swept the PAC major awards. She was named PAC Coach of the Year and ECAC Coach of the Year.

In 2018, in just the second season as a sport at Westminster, the Titans finished tied for fifth in the ORLC, finishing 5-6 in conference play. Eldridge has coached twelve All-Conference honorees during her time at Westminster.

Eldridge was previously the head girls' lacrosse coach at Chartiers Valley High School where she led the team to a 14-4 record and advanced to the Western Pennsylvania Interscholastic Athletic League (WPIAL) finals and the Pennsylvania Interscholastic Athletic Association (PIAA) state quarterfinals.

Prior to Chartiers, Eldridge was hired as Duquesne University's first-ever head coach and held that position from 1997 through 2005. Eldridge, who had three Coach of the Year citations (1997 Metro Atlantic Athletic Conference (MAAC); 2000 & 2004 Atlantic 10 Conference), guided the Dukes to the Atlantic 10 Tournament six of seven years. During Eldridge's tenure, Duquesne shared the 2004 and 2005 Atlantic 10 regular season championship titles and saw her

team advance to the 2001, 2004, and 2005 A-10 championship games.

Eldridge also has collegiate coaching experience at Robert Morris University, Randolph Macon College and a nationally-ranked James Madison University team. She also led Peters Township High School to two WPIAL championships.

Eldridge, a 1993 graduate of the College of William and Mary, was an All-South first team honoree and an All-Colonial Athletic Association pick as a senior. Eldridge also played in the North-South Senior All-Star game and was an All-South second team selection in 1992. Additionally, she played field hockey at William and Mary.

A native of Downingtown, Pa., she earned a bachelor's degree in marketing from the College of William and Mary and a master's degree in athletic administration from James Madison.

Eldridge has three sons, Ray, 19 who plays football at the University of Richmond, Gavin 18, and Chad 16.

## ABBY SHIELDS

**ASSISTANT COACH- FIRST SEASON**  
**FURMAN '19**

Wofford lacrosse head coach Kim Eldridge announced the addition of Abby Shields to her coaching staff.

"I would like to thank Wofford College and Kim Eldridge for this opportunity to coach at the Division I level," said Shields.

A native of Vero Beach, Florida, Shields spent the last three seasons competing in the SoCon, playing four years of lacrosse at Furman.

"I am very excited to be back in the Southern Conference. My goal is to help build this program and help develop young women to be successful on and off the field."

At Furman, Shields started all 75 contests for the Paladins, setting program records for goals scored (137), assists (100) and total points (237). Earning First Team All-SoCon honors as a senior and Second Team All-SoCon honors as a junior, Shields was a six-time SoCon Player of the Week award winner and was a member of the 2018 SoCon Academic Honor Roll squad. Shields also holds season records for points (69) and points in a single game (10) at Furman.

In addition to her accolades on the field, Shields has been a coach at lacrosse camps since 2016 and graduated with a bachelor's in health sciences in May.

Prior to her time at Furman, Shields helped Vero Beach High School win four state championships and was a two-time U.S. Lacrosse and Under Armour All-American.

## ANNA GEARHART

**ATHLETIC TRAINER - THIRD SEASON**  
**MIAMI OHIO '08**

Anna Gearhart joined the Wofford staff in August 2018 and works with volleyball, women's lacrosse, and cheerleading. For last eight years she was an assistant athletic trainer at Miami University in Ohio.

While at Miami, Gearhart worked primarily with women's soccer, football, men's and women's cross country/track and field, and women's swimming and diving. She worked closely with physicians, physical therapists and strength and conditioning staff to provide comprehensive care to student-athletes.

Gearhart, a certified athletic trainer through the National Athletic Trainer's Association, received her bachelor of science degree from Miami in 2008. She also earned a masters degree from Wright State University in 2010. At Wright State, she worked with the women's soccer and baseball teams.

# WOFFORD'S FIRST WIN (2018)

## Lacrosse Makes History with First Win

DOVER, Del. – Ten Wofford players scored a goal, including five from freshman Hannah Mutch as the Wofford's women's lacrosse team ran away with an 18-4 victory at Delaware State. The win is the first in program history for the first year team.

Wofford's 18 goals scored is a new program high and the 10 different goal scorers is a program first.

Delaware State scored the first goal of the game three and a half minutes in, but Wofford exploded to score the next five.

With 10:32 left before the half, Delaware State scored to stop the Wofford run, but the Terriers finished the half with another 5-0 run. Wurzel added another with 1:14 to go in the half and the Terriers held a 10-2 lead at the half.

The Terriers opened the half on a 7-0 run to run the lead to 17-2. First, Smith scored on a goal from Mutch then Mutch answered with a goal on a pass from Sedlar.

Wofford took 34 shots to Delaware State's 15, a season low by an opponent. Wofford picked up 15 groundballs to the Hornets' six and converted on 1-2 free position shots.

Kelsey Thompson recorded eight saves in the win.

(\*) Southern Conference match

The Southern Conference, which is in its 99th season of intercollegiate competition in 2019-20, is a national leader in emphasizing the development of the student-athlete and in helping to build lifelong leaders and role models.

The Southern Conference has been on the forefront of innovation and originality in developing creative solutions to address issues facing intercollegiate athletics. From establishing the first postseason college basketball tournament (1921), to tackling the issue of freshman eligibility (1922), to developing women's championships (1984), to becoming the first conference to install the 3-point goal in basketball (1980), the Southern Conference has been a pioneer.

The Southern Conference is the nation's fifth-oldest NCAA Division I collegiate athletic association. Only the Big Ten (1896), the Missouri Valley (1907), the Pac-12 (1915) and the Southwestern Athletic (1920) conferences are older in terms of origination.

Academic excellence has been a major part of the Southern Conference's tradition. Hundreds of Southern Conference student-athletes have been recognized on CoSIDA Academic All-America and all-district teams. A total of 20 Rhodes Scholarship winners have been selected from conference institutions, most recently in 2012-13, when former Wofford volleyball player Rachel Woodlee earned the prestigious award.

The conference currently consists of 10 members in six states throughout the Southeast and sponsors 22 varsity sports and championships that produce participants for NCAA Division I Championships. The league added rifle, becoming just the second Division I conference to sponsor the sport, in 2016-17, and added women's lacrosse for the 2017-18 campaign.

The Southern Conference offices are located in the historic Beaumont Mill in Spartanburg, S.C. A textile mill that was in operation from 1880 until 1999, Beaumont Mill was renovated in 2004 and today offers the league first-class meeting areas and offices as well as a spacious library for storage of the conference's historical documents.

## MEMBERSHIP HISTORY

On Feb. 25, 1921, representatives from 14 of the Southern Intercollegiate Athletic Association's (SIAA) 30 members met at Atlanta's Piedmont Hotel to establish the Southern Intercollegiate Conference. On hand at the inaugural meeting were officials from Alabama, Alabama Polytechnic Institute (Auburn), Clemson, Georgia, Georgia School of Technology (Georgia Tech), Kentucky, Maryland, Mississippi A&M (Mississippi State), North Carolina, North Carolina State, Tennessee, Virginia, Virginia Polytechnic Institute (Virginia Tech) and Washington & Lee.

Dr. S.V. Sanford of Georgia was chosen as acting chairman and N.W. Dougherty of Tennessee was named secretary. The decision to form a new athletic conference was motivated by the desire to have a workable number of conference games for each league member. With 30 schools in the SIAA by the early 1920s, it was impossible to play every school at least once during the regular season and many schools went several years between playing some conference members. In addition, in 1920, the SIAA voted down proposed rules that an athlete must be in a college a year before playing on its teams and refused to abolish a rule permitting athletes to play summer baseball for money.

Play began in the fall of 1921, and a year later, six more schools joined the fledgling league, including Tulane (which had attended the inaugural meeting but had elected not to join), Florida, Louisiana (LSU), Mississippi, South Carolina and Vanderbilt. VMI joined in 1925 and Duke was added in 1929.

By the 1930s, membership in the Southern Conference had reached 23 schools. C.P. "Sally" Miles of Virginia Tech, president of the Southern Conference, called the annual league meeting to order on Dec. 9, 1932, at the Farragut Hotel in Knoxville, Tenn. Georgia's Dr. Sanford announced that 13 institutions west and south of the Appalachian Mountains were reorganizing as the Southeastern Conference. Members of the new league included Alabama, Alabama Polytechnic Institute, Florida, Georgia, Georgia School of Technology, Kentucky, Louisiana, Mississippi, Mississippi A&M, University of the South, Tennessee, Tulane and Vanderbilt.

According to the minutes of the meeting, Dr. Sanford stated that the division was made along geographical lines. Florida's Dr. J.J. Tigert, acting as spokesman for the withdrawing group, regretted the move but believed it was necessary as the Southern Conference had grown too large. The resignations

were accepted and the withdrawing schools formed the new league, which began play in 1933.

The Southern Conference continued with membership of 10 institutions, including Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina, Virginia, VMI, Virginia Tech and Washington & Lee.

The second major shift occurred some 20 years later. By 1952, the Southern Conference included 17 colleges and universities. Another split occurred when seven schools – Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina and Wake Forest – departed to form the Atlantic Coast Conference, which began play in 1953. The revamped Southern Conference included members The Citadel, Davidson, Furman, George Washington, Richmond, VMI, Virginia Tech, Washington & Lee, West Virginia and William & Mary.

A third major shift occurred in 2012-13, when five members announced their departures and three schools were added. College of Charleston announced its decision to leave for the Colonial Athletic Association following the 2012-13 season, while Appalachian State (Sun Belt), Davidson (Atlantic 10), Elon (Colonial) and Georgia Southern (Sun Belt) announced they would depart following the 2013-14 campaign. At the Southern Conference's 2013 spring meetings in Hilton Head Island, S.C., the league officially extended invitations to former members ETSU and VMI, as well as Mercer, to join the league for the 2014-15 academic year.

Today, the league continues to thrive with a membership that includes 10 institutions and a footprint that spans six states: Alabama, Georgia, North Carolina, South Carolina, Tennessee and Virginia. Current league members are The Citadel, ETSU, Furman, Mercer, UNCG, Samford, Chattanooga, VMI, Western Carolina and Wofford.

## FOOTBALL

The Southern Conference has also excelled as the premier Football Championship Subdivision (FCS) conference. Former Southern Conference member Appalachian State won the three consecutive FCS titles from 2005-07, becoming the first team to do so. The league boasts more than 250 players who have garnered All-America recognition and numerous national player or coach of the year awards. The conference had at least one team in the top 10 of the final FCS poll for 28 consecutive years

(1985-2012), with at least two teams finishing in the final poll in every season from 1982-2013. Two SoCon teams – ETSU and Wofford – finished in the top 25 in 2018.

The conference has placed multiple representatives in the FCS Playoffs in 30 of 35 seasons, with 16 championship game appearances and eight national titles.

## DR. NAYEF SAMHAT

PRESIDENT

The Wofford College Board of Trustees elected Dr. Nayef H. Samhat as president of the college on Tuesday, May 14, 2013. He began his duties at Wofford on July 1, 2013.

Samhat had served as provost and professor of political science and international studies at Kenyon College in Gambier, Ohio, since 2009.

"We conducted a thorough, national search for the 11th president of Wofford College," said J. Harold Chandler (Class of 1971), chair of the Wofford Board of Trustees.

"Our search committee was led by an able and accomplished individual and its 12 members have done their job in a thoughtful and comprehensive manner. The board of trustees, led by its Human Resources Committee, has completed its review and have voted to accept the mutual recommendation of the Search Committee and the Human Resources Committee in the naming of Dr. Nayef H. Samhat as the next president of Wofford College. We are honored that Dr. Samhat has accepted our call and we are excited and ready to begin our important work together."

Samhat held several positions at Centre College in Danville, Ky., from 1996 to 2009, including associate dean of the college, the Frank B. and Virginia Hower Associate Professor of Government and International Studies, chair of the Division of Social Studies, and the National Endowment for the Humanities Associate coordinator of the Environmental Field Experience Program and an instructor in the Department of Political Science at Northwestern University in Evanston, Ill., from 1995 to 1996.

After receiving his bachelor's degree in international economics from The George Washington University in Washington, D.C., in 1983, Samhat received his master of international affairs degree from Columbia University in New York City. He received his Ph.D. in political science from Northwestern University, where he also received a minor in comparative political economy.

While at Kenyon, Samhat oversaw a number of major grants, including two from the Mellon Foundation: a Critical Languages and Innovative Pedagogy grant to support post-doctoral teaching fellowships for Russian and Arabic languages, and a grant for the Center for Innovative Pedagogy and The Essentials: Renewing General Education within the Curriculum to enhance the endowment for a previously Mellon-funded Teacher Teaching Teachers grant.

He is currently serving on the NCAA Board of Governors, along with the NCAA Division I Sport Organizational Structure Working Group. He also was chairman of the Southern Conference Council of Presidents in 2015-16.

A native of Detroit, Mich., Samhat is married to Prema Samhat, former director of the Knox Community Hospital Foundation and director of marketing and communications for Knox Community Hospital. They have three daughters, Alia, Jehan, and Leila.

## RICHARD JOHNSON

ATHLETIC DIRECTOR

Richard Johnson is in his 19th year as director of athletics at Wofford College. The former head basketball coach has been an instrumental figure on campus for over 30 years.

Johnson officially began his new duties on December 3, 2001. In 17 years as head basketball coach at Wofford (1985-2002), Johnson had a 100 percent graduation rate for all players who completed their eligibility. He was the runner-up for SoCon Coach of the Year honors twice in the Terriers' five seasons of league play under him. His 200<sup>th</sup> win was a 79-74 victory at Clemson during the 1999-2000 campaign. During his Wofford coaching tenure, Johnson guided the Terriers from NAIA membership to NCAA Division II in 1988, Division I status in 1995 and the Southern Conference in 1997.

A 1976 graduate of The Citadel, Johnson came to Wofford after serving nine years as a basketball assistant at his alma mater under legendary coach Les Robinson. Johnson also holds an MBA from The Citadel.

Over the past several years as athletic director, he also has been a driving force behind the development of several facility projects. Russell C. King Field and Switzer Stadium returned baseball to campus in 2003. The Richardson Building was renovated in 2008 and 2018, while the Joe E. Taylor Athletic Building and a golf practice facility were completed in 2009. Wofford completed the Jerry Richardson Indoor Stadium, a 3,500 seat basketball arena, in September of 2017.

Johnson has also been responsible for the growth of the athletic endowment to a current level of over \$41 million, with a long-term goal of endowing all scholarships in the department. He recently concluded service on the NCAA's Division I Football Championship Committee and the FCS ADA Executive Committee, while also serving on NCAA Division I Men's Basketball Rules Committee. In June of 2015, he was named Under Armour Athletic Director of the Year by the National Association of Collegiate Directors of Athletics.

Johnson and his wife Carol, have two daughters, Lindsay and Lauren, and a son, Rich, all three of whom are Wofford graduates. The Johnsons also have five grandchildren. Lindsay and Brad Lowry are the parents of Louisa and Brady Lowry, while Lauren and Dr. Reece McWilliams are the parents of Mac, Walker, and James McWilliams.

## DR. JAMEICA HILL

FACULTY ATHLETIC REP.

Dr. Jameica Hill, Professor and Chair of the Chemistry Department, is in her 14th year as the Faculty Athletic Representative (FAR). Dr. Hill represents Wofford to the National Collegiate Athletic Association and the Southern Conference. She is responsible for certifying the eligibility of student-athletes and assuring integrity in the eligibility process. In addition to supervising athletics policies, the FAR also serves as a liaison between the faculty and the student athletes, looking out for their individual well-being with regard to academics and athletics. She served as the President of the Southern Conference from 2017 to 2019.

Hill, a native of Due West, S.C. and a member of Phi Beta Kappa, earned her Ph.D. degree in inorganic chemistry at Clemson University, where she was a Graduate Teaching Assistant of the Year. She received Wofford's 1995 Martin Luther King Jr. Humanitarian Award and was also an associate director for a summer science program that was funded by a grant from the Howard Hughes Medical Center.

Hill's interest in athletics has been a lifelong one. Her father was a high school coach, and she participated in many different sports (including being named a SC All-State point guard and playing in the North/South game).

A 1988 graduate of Wofford, Hill was a cheerleader for the football and basketball teams as a student. Her husband, Jason Hill '89, is a former Wofford quarterback and assistant coach. Their daughter Shelby recently graduated from Clemson University, while their son Jason is on the football team at Wofford.

## WOFFORD ATHLETIC STAFF

### MARK LINE

DEPUTY AD - INTERNAL

Mark Line has been a leader on campus for over 30 years, first as the baseball coach and then as an administrator. He joined the athletic department administrative staff in July 2003 in the role of associate athletic director for internal operations and sports programs. He was promoted to senior associate athletic director in 2012 and was named the Deputy Athletic Director in March of 2017. Among his myriad of duties, Line supervises the Olympic sports while also overseeing the department's budget and serving as liaison to the Carolina Panthers and several on-campus groups and committees. He is the sport supervisor for rifle, men's tennis, men's soccer and baseball.

A 1977 graduate of Erskine, Line posted a 210-158 record (.571) in 10 years as the Terriers baseball coach (1986-95). He received District Coach of the Year honors in his second season as the 1987 squad put together as a 23-11 mark. Wofford then set a single-season school record for victories the following campaign with a 27-12 record. It marked the first time Wofford qualified for postseason play in consecutive seasons. Line's 1991 team established another Terrier mark for wins with a 30-9 record.

Line was selected as a 2004 inductee into Wofford's Athletic Hall of Fame. The first-base dugout at Russell C. King Field, the Terriers' on-campus baseball facility, is named in his honor.

Line has served as chairman of the physical education department since 1988. Following the 1995 season, Line accepted a role as associate dean of students in the Wofford student affairs office. He worked with volunteer services, Bonner Scholars, the campus judicial system and a host of other activities involving campus life.

Line and his wife, Pam, have two children: Alyse Worley, a 2010 graduate of Wofford, and Sam, a 2014 graduate of Emory and Henry College. Alyse and her husband Mitch live in Charleston, while Sam and his wife Meg reside in Jacksonville, Florida.

### ELIZABETH RABB

DEPUTY AD - EXTERNAL / SWA

Elizabeth Rabb is in her 18th year as a member of the Wofford athletic department. In August of 2019 she was named deputy athletic director, overseeing external operations. Her responsibilities include covering the areas of compliance, advancement, media relations, video services and ticketing. She took on the role of senior women's administrator in September of 2015. Prior to moving to deputy athletic director, she served as associate athletic director for compliance and also provided oversight for the Student-Athlete Advisory Committee (SAAC).

In addition, she is the sport supervisor for women's tennis, volleyball, women's soccer and women's lacrosse. In July of 2011, she ended a three-year term as a member of the NCAA's Administration Cabinet. Rabb also served a term on the NCAA's Olympic Sports Liaison Committee. She has added experience as Wofford's ticket manager and cheerleading coach during her tenure at Wofford.

A native of Johnson City, Tenn., Rabb earned a B.A. degree in history from Wofford in 2001. She earned her master's degree from Converse College in December 2007. While an undergraduate, she worked as a student assistant in the athletic department and was a member of both the cheerleading and dance squads. Rabb also worked as an intern at East Tennessee State and the Southern Conference office.

Rabb and her husband, Marc, were married on June 23, 2007. Marc is the director of media relations at Gardner-Webb University. Their daughter, Ella, was born in June of 2010.

### BRENT WILLIAMSON

ASSOCIATE AD FOR  
MEDIA RELATIONS

Brent Williamson is in his 13th season at Wofford. After eight years as

Assistant Athletic Director for Media Relations, he was named Associate AD in September of 2015. He joined the Terriers after spending four years as the Assistant Athletic Director for Public Relations at the University of Maine.

He is responsible for the media relations operations for the Wofford College Athletic

Department and is the primary contact for football, baseball and cross country/track and field. He oversees all department publications, statistics, news releases, the department's website "woffordterriers.com," and social media outlets. The 2013 football media guide was named "Best in the Nation" by CoSIDA. He also oversees the marketing and promotion of all Wofford sports.

In four years at Maine, Williamson oversaw the media relations for nineteen sports. He was the primary contact for the men's ice hockey team, which advanced to three NCAA Frozen Fours. He worked with six All-Americans and a Hobey Baker Finalist, along with several current NHL players and two Stanley Cup Champions. At Maine he also oversaw the development and production of a bi-weekly television show, The Black Bear Insider, along with other special projects.

Prior to Maine, he spent eight years working in media relations in the National Football League. After two seasons with the Atlanta Falcons, he joined the Jacksonville Jaguars in 1997. In 2002, he was named Director of Media Relations for the Houston Texans. He assisted in the media relations operations at four Super Bowls.

A native of Taylors, S.C., Williamson graduated from Wake Forest University in 1994 with a bachelors degree in history. He added a masters of sports management from the University of Richmond in 1996. His grandfather, W.S. Williamson, graduated from Wofford College in 1932.

### RYAN PRICE

ASSISTANT AD FOR  
BUSINESS AND FINANCE

After spending two seasons with the Wofford baseball team, Ryan Price moved to administration on September 1, 2014 to assist in internal operations. He was promoted to Assistant Athletic Director for Business and Finance in the spring of 2017. In addition to assisting the Athletic Director with special projects, Price is responsible for controlling all sport budgets, departmental invoices, and expense reports. He also works closely with the Sam Keenan in compliance and Mark Line in monitoring game operations. He is the sport supervisor for cross country and track.

Price joined the Terriers in October of 2012 as an assistant baseball coach. In his first season on the staff, the team led the Southern Conference and the nation with 163 stolen bases and was 18th in the nation in sacrifice bunts. In 2014, the team set a school record for wins in a season and reached the Southern Conference Tournament semifinals.

Prior to joining the Terriers he was an assistant coach and coordinator of baseball operations at The College of Saint Rose. He also served as an athletic department assistant. A three-time Northeast-10 Conference All-League outfielder at The College of Saint Rose, he was also a three-time Northeast-10 Academic All-Conference pick who made 174 starts.

A native of Binghamton, New York, Price received his bachelor's degree in sport management and mathematics from The College of Saint Rose in 2010 and added a master of business administration in 2011.

### ANDY KIAH

DIRECTOR OF ATHLETIC  
FACILITIES

Andy Kiah is in his 24th year on the staff at Wofford and 18th as the director of athletic facilities.

Kiah oversees the maintenance and operation of all athletic facilities, including Gibbs Stadium, the practice fields, the Richardson Building, Snyder Field, and Russell C. King Field. Wofford's facilities, which are also used by the Carolina Panthers for training camp, have been ranked among the best in the country.

Kiah first came to Wofford as an assistant baseball coach. A 1996 graduate of the University of Massachusetts, Kiah was a four-year letterman for the UMass baseball team. The 1996 Minuteman squad advanced to the NCAA Regionals and was within one game of reaching the College World Series. He was captain of the 1996 team that set a school record with 40 wins.

A native of Brewer, Maine, Kiah holds a bachelor's degree in sports management from the University of Massachusetts. His wife Amy, was head coach of the Wofford women's soccer team from 1999 to 2017. They have two daughters, Kayleigh and Mikenna.

## JAKE FARKAS

### DIRECTOR OF MARKETING AND PROMOTIONS

Jake Farkas joined the Wofford staff in September of 2017 as director of marketing and promotions. In his role he oversees the marketing and promotions for all 18 sports. A native of Lawsonville, North Carolina, Lapinski is a certified athletic trainer through the National Athletic Trainers' Association. He and his wife, Sarah, reside in Spartanburg.

## SPORTS MEDICINE

Spartanburg Regional Healthcare System's Sports Medicine Institute is the official sports medicine provider of Wofford College athletics. By partnering with Spartanburg Regional, Wofford student-athletes have access to all the services and specialties of a teaching hospital as well as a Level 1 trauma center. This includes specialty physicians, diagnostic testing such as MRI and CT, pharmacy services, drug testing and nutritional counseling.

## ANNA GEARHART

### ASSISTANT ATHLETIC TRAINER

Anna Gearhart joined the Wofford staff in August 2018 and works with volleyball, women's lacrosse, and cheerleading. For eight years she was an assistant athletic trainer at Miami University in Ohio.

While at Miami, Gearhart worked primarily with women's soccer, football, men's and women's cross country/track and field, and women's swimming and diving. She worked closely with physicians, physical therapists and strength and conditioning staff to provide comprehensive care to student-athletes.

Gearhart, a certified athletic trainer through the National Athletic Trainers' Association, received her bachelor of science degree from Miami in 2008. She also earned a masters degree from Wright State University in 2010. At Wright State, she worked with the women's soccer and baseball teams.

## DR. STEPHEN KANA

### TEAM ORTHOPEDIST

Dr. Stephen Kana is in his 21st year as the team orthopedist for Wofford College. The Saratoga, N.Y. native has a primary practice at the Sports Medicine Institute in Spartanburg.

Kana received his bachelor's degree from the State University of New York, before receiving his medical degree from the Georgetown Medical School. He also completed his orthopaedic residency at Georgetown.

Prior to coming to Spartanburg in August 1994, Kana worked at the nationally-respected Kerlan-Jobe Orthopaedic Clinic in Los Angeles. While in California, he served as assistant team physician for the Lakers, Dodgers, Rams, Kings and Angels, as well as the University of Southern California. Kana was recognized by the Wofford Hall of Fame as an Honorary Letterman in 1999. Kana and his wife, Jean, have two daughters: Sarah, a 2011 graduate of Wofford, and Claire.

## DR. ERIC COLE

### TEAM PHYSICIAN

Dr. Eric Cole is in his 14th season as a team family physician for the Terriers. He is in private practice at the Medical Group of the Carolinas - Family Medical Center. A 1999 graduate of Wofford College with a degree in biology, he was a four-year letterman on the football team. He earned CoSIDA Academic All-District honors as a junior and was the recipient of Carolina Panthers Post-Graduate Scholarship. He also received the Charles Bradshaw Award in 1999.

He graduated from the University of South Carolina School of Medicine in 2003 and completed his residency in family practice in Greenwood, South Carolina. While in Greenwood, he was associate team doctor for Lander University.

Cole and his wife, Susan, a 1998 graduate of Wofford, have two children, Andrew and Katie.

At the end of the last academic year, there were approximately 2,000 four-year colleges in the United States. Only 262 of them have the right to induct their graduates into Phi Beta Kappa, the nation's most prestigious liberal arts honor society. There are five independent Phi Beta Kappa colleges and universities in the Carolinas: Wofford, Davidson, Duke, Furman and Wake Forest.

Founded at the College of William and Mary in December 1776, Phi Beta Kappa was the first of the Greek letter fraternities and adopted such rituals as the badge, the secret oath, and the special handclasp from the various secret societies of the day.

Phi Beta Kappa, however, was also devoted to the principles of "friendship, morality, and literature (or learning)," and these characteristics gradually attained the greatest emphasis. John Quincy Adams, Edward Everett and Joseph Story, members of the Harvard chapter, are credited with making the fraternity a public literary and honor society for undergraduates in the 1830's. Women were first admitted to Phi Beta Kappa in 1875 at the University of Vermont.

Wofford received its chapter at the 1940 triennial meeting, bringing to fruition more than ten years of work by three Phi Beta Kappa members who were then serving on the faculty: President Henry Nelson Snyder, Dr. David Duncan Wallace, class of 1894, and Dr. John West Harris '16, a brash and brilliant young English professor not afraid to campaign vigorously in the conviction that his alma mater deserved membership. (Dr. Harris later founded the National Beta Club, which still has its headquarters in Spartanburg).

With about 350,000 members across the country, Phi Beta Kappa today sponsors numerous programs to encourage scholarship and learning, including the Phi Beta Kappa Book Awards and the visiting scholar, academic fellowship and leadership programs.

For these reasons, Phi Beta Kappa Day at Wofford has institutional significance, as well as being especially memorable for the new members, each of whom will receive the traditional Phi Beta Kappa watch key or pin.

Nick Colvin '17 (above) was one of four football players to be inducted into Phi Beta Kappa in the 2016-17

## THE CAROLINA PANTHERS

The Carolina Panthers have held training camp at Wofford since their inaugural season in 1995 and it will be held on campus until at least 2019. The camp provides Wofford tremendous national exposure and visibility. Media members that visit Wofford during the camp include ESPN, Fox Sports, NFL Network, USA Today and Sports Illustrated. Local print and television media from markets including Columbia, Charlotte, Raleigh/Durham/Chapel Hill, Asheville and Greensboro/Winston-Salem are on campus on a daily basis.

According to SI.com's Tim Layden, "as I like to think of it: Training Camp Heaven. Wofford is 70 miles west of Charlotte on I-85, and presents all the reasons why there is something special about taking the team on the road for camp. Three pristine, Bermuda-grass fields

## THE TERRIER SCULPTURE

A sculpture of a Terrier was unveiled on March 25, 2008 outside of the Student Life Building as a gift to Wofford College from the Class of 1956. The following is the text of an address given by Talmage Boyd Skinner, Jr., 1956, Chaplain Emeritus of Wofford College on the dedication.

The mascot of a college should, in large measure, represent the character of the place. In this Palmetto State, we are surrounded by a bevy of mascots. There are Gamecocks and Tigers, Bulldogs and a Rooster named Chanticleer, Indians, Paladins, Cougars, Valkyries, and one school has a sock for an ensign. There are Trojans, Pioneers, and Spartans, and various Cats and feathered creatures. In all the land, only two other schools are Terriers. Some will laugh when we affirm that we are the only true Terriers. Some chuckle when we are audacious enough to claim to be unique and even superior in so many aspects of being a college. The most arrogant of us will admit that there are many good colleges. We have even tried to copy some. I have always been a bit uncomfortable when we talk of another school being a – "flagship" that we need to emulate. Hey! We ARE the flagship! Forgive the pride of some old guys who have loved this little school for over half a century. Yes, we did not come to Wofford just to purchase an education; we joined Wofford. We were adopted into the family with a bond that cannot be broken. Many colleges claim to be family. We truly are.

Ours is a bond of shared experience hammered out on the playing fields against foes our size and those with more students than we have living alumni. It does not stop with athletics. The term "student athlete" has authenticity at Wofford. The bond is from a shared academic experience that is not content just to pass on so-called facts, but prepares students to think and to continue to grow. The "proof of the pudding" is in the doctors, lawyers, college presidents and professors, teachers, coaches, leaders in business and service - even in the ministry of the Church. A bond is created in the experience of the arts - the theater program, choral music, strings. One thing we lack - a band - not just the band class that plays well once or twice a year, but a BAND for spirit and musical experience. A bond is created through service programs and the physical arts witnessed by so many exhibitions on campus. Not the least is a religious life program that is open and tolerant, that walks with students seeking answers and helps them first learn to ask questions.

We, the Class of 1956 present this Terrier to our college as a symbol of Wofford Spirit in all aspects of this place like no other. We want to add to the tradition of this sacred ground. We want to remind the present Wofford that there is a past on which she stands and remind all of us
